WRIT PETITION NO : 5379 of 1996

O R D E R:

Alleging that the 2nd respondent having agreed to allot Ac.3.00 of Government (Poramkoke) land in S.No.73 of Malkajgiri village to the weaker Sections of the society, is not taking steps in that regard and is closing his eyes to the encroachments being made into the said land, petitioner filed this petition seeking a direction to the respondents to take expeditious steps for allotment of the land to weaker sections of the society and to prevent encroachments being made into the aforesaid land.

In the counter affidavit filed on behalf of the respondents, they while admitting that the aforesaid land is to be assigned to the weaker sections, contended that since encroachers in that land having filed writ petitions had obtained interim orders against their dispossession they are not able to remove the encroachments.

In view of the averments in the counter affidavit filed on behalf of the respondents, the writ petition is disposed of with a direction to the respondents to take expeditious steps to allot plots as approved by the Hyderabad Urban Development Authority in its letter No. 10906/MP2/HUDA/89 dated 23-10-1989 and to prevent any further encroachments being made in the land in question and remove the encroachment by taking steps to vacate the interim directions obtained by these encroachers. No costs.
